

NEWSLETTER

Hawg Hawlers Bass Club

(February, 1994)

IMPORTANT STUFF ENCLOSED.....

Hopefully, you will find enclosed or attached to this newsletter, a copy of the 1994 tournament rules. This is also used to obtain the membership information we require. Please review the rules carefully, then complete all the pertinent information, SIGN IT, and return to Steve, with your membership fee (\$10.00). **THIS FORM IS REQUIRED BEFORE ANYONE CAN FISH A TOURNAMENT !!!!!**

You should also find another copy of the 1994 schedule. Changes are the addition of the resort to Table Rock Lake, which was not known at the time of the last newsletter. Also, we are having a problem with Truman Lake. The Corps of Engineers moved our Sunday take off time, so we are looking at another location to have our tournament. "Stay tuned for further developments" (translation: We will let you know when we can find a location that will allow us to fish the hours we want).

Lastly, the club By-Laws were changed slightly to reflect the addition of the new officer position, and to incorporate the point system into the Angler of the Year award. Because of the increased postage, it has been decided not to mail copies of the By-Laws to everyone. If anyone would like a copy please contact, Dan Durbin (846-6578).

FIRST TOURNAMENT.....

The first tournament for 1994 is fast approaching. As of this writing, it is only 4 weeks away. Clearwater is usually scheduled as our first tournament because it is fairly close to St. Louis and there is no size limit. After two very productive years (91/92), our production fell off a little last year. We will be fishing out of Piedmont Park Marina (which will be CLOSED). Piedmont Park Campground is located by the ramp and marina, but it does not have electricity at this time of year. River Roads Campground is located just below the dam and has electricity. There are motels locate in the nearby town, if that is what you're looking for.

CLEARWATER FACTS.....

	1993	1992	1991
Total fish	14	52	56
Total weight	11.62 lbs	36.02 lbs	39.73 lbs
# of boats	9	11	8
# anglers	18	22	16
First Place	7.33 lbs	14.77 lbs	11.00 lbs
BIG BASS	2.11 lbs	6.56 lbs	1.64 lbs

Clearwater Club/Lake Record = 6.56 lbs (Mark Henry - 1992)

TOURNAMENT DIRECTORS.....

Your Clearwater Tournament directors will be Terry Hanie and Gary McFetridge. They will each get 2 points for their efforts. To get **your** 2 tournament director points reserved, just call Bob Treadway at 946-3143 (evenings).

POINTS...POINTS...POINTS....

Don't forget the **POINT SYSTEM** in effect this year. Attendance at a tournament is 2 points, and each fish is worth 1 point. Also 1st place = 10 points, 2nd = 8, 3rd = 6, 4th = 4, and 5th = 2. BIG BASS is worth an equal number of points to the weight of the fish (rounded to the nearest pound). Clearwater could be pivotal in your quest for the coveted "Angler of the Year" title. So be sure to get your reservations in early.
