

Mark Twain - Charlie and Chuck Beach Take the Win

Mother Nature strikes again. Saturday was a little chilly for June. But the fishing was pretty good. 52 anglers weighed in 48 fish. Sunday was a different story. Thunderstorms started on Saturday night and continued Sunday morning. The Officers made the decision to delay the tournament checking the conditions every 15 minutes until 7:00 AM. At 7:00 AM a flash of lightning struck close enough to be seen from the parking lot. The lightning and the forecast that there would be no change in the weather in the next few hours convinced the Officers that it was time to cancel the Tourney.

From The Presidents Boat

Southfork Resort welcomed the Hawg Hawlers with open arms. Not only did they give us a discount on our rooms, but there was free coffee each morning. And to top it off, they gave us a certificate for a free nights stay (M-Th), that is good for the rest of the year. The folks there were very accommodating, and the quick shop was well stocked. A big Hawg Hawler "THANK YOU" to Southfork Resort for being so gracious. Obviously, they will stay on our "Favored Resorts" list.

By Lori Luzynski and Pam Wakim

More women are starting to compete but bass fishing is still predominantly a male sport which leads to some interesting situations for the female angler.
