## **Chili Cookoff**

Another chili cookoff, another huge success. I wonder if the October tourney attraction is the great fishing or the annual chili cookoff. A round of applause is in order for the group responsible. We really appreciate the hard work that went into planning this event. A big Hawg Hawler cheer for Dottie Reynolds, Cathy McGarity, Craig Gravatte, Lyla Durrer Charlie Beach and Kathy Hencken for helping with the chili and helping in general. Let's not forget the leader of this pack, Lori Luzynski. She was the person who put it all together .

## **From the Presidents Boat**

By Greg Heinz

I would like to use my “Prez Boat” space to give a few well deserved thanks. First to the 2006 officers, who did a great job this year. Pam dug and prodded and got us many of the prizes that have been given away, and more that will be given away at the dinner. Dan did an excellent job on the newsletter and statistics, and was a great partner for the year. Lori kept everything balanced, as usual. Terry and Craig kept the weigh-ins running smooth. In addition, I would like to thank Charlie and Bob for their continuing support of the club and its officers.

I would also like to thank the volunteers for the 2007 officer positions. Pam’s organizational abilities will guide them through 2007. I wish them continued success in leading the club into the future. Remember, we are a club of members, and everyone contributes. ALL past officers are at your disposal, if you need us.

Lastly, I would like to thank each and every 2006 member who joined and/or fished with us this year. Without you, there is no club. With you, there is a continuously growing group of anglers, who have discovered that there really is a thing called “friendly competition”.

To sum up, we had a few bumps in the road, but the 18th year of the Hawg Hawlers was a great success. We set a new record for attendance. We had plenty of competition that went down to the very last weigh-in. And we have NEW people taking home the Angler of the Year and Big Bass of the Year trophies. It has been a pleasure to work with this group of officers and members, and serve as your president for 2006. I’m looking forward to 2007.

Thank you.
