## Mark Twain Tournament

Our Mark Twain tournament was enjoyable and entertaining. The temperatures were sizzling on Friday but some storms Friday night cooled it down for the rest of the weekend. Our club barbecue was Saturday night. The food was delicious and we had a little fun with some karaoke after dinner.

The lake was up seven foot over normal pool and the water was muddy. Fishing was decent on Saturday with forty bass weighed in. Conditions were a little bit tougher on Sunday with only twenty bass brought to the scales. We had thirteen boats and twenty six anglers with a total of sixty nice bass brought to the scales.

## Congratulations to all the winners!

Hawg Hawlers Bass Club would like to thank South Fork Resort for their hospitality and use of the pavillion for our barbecue and karaoke.

Thank you Mike Jankowski, Ken Jones, Chris Himstedt and Andi Himstedt for volunteering your time and serving as tournament directors. We really appreciate it.

A special thank you to 154 Marine for helping some Hawg Hawlers get back on the lake. Team Stanek had engine problems on Saturday and had to fish using only their trolling motor but they still managed to bring in three keepers. Good job! After the weigh in they took their boat up to 154 Marine which was recommended to them by a fellow Hawg Hawler. Terry and Lori said 154 Marine was great and they highly recommend them to everyone. 154 Marine, 40175 Hwy 154, Perry, MO 573-565-2052 <http://154marine.com/>

Thank you Hawg Hawlers for participating in the Mark Twain tournament. We hope you enjoyed it and look forward to seeing you all at Wappapello!

We want to welcome new member: Danielle MacFarland. Thanks for joining Hawg Hawlers Bass Club.

We still need tournament directors for the last two tournaments. If you would like to help your club by serving as a tournament director please contact Tournament Chairman Andy Shands or Mark Daly.

## Next Tournament Wappapello

July 16th & 17th

Take off will be out of the Sundowner Ramp. Call Millers Motor Lodge (573-222-8579) or Twin Oaks Resort (573-222-8733) for a reservation. The tournament hours will be 6:00am to 12:00pm both days. Get your entry to Dan by Wednesday, July 13th.

Our 2010 Wappapello tournament was held in September and it was won by Tim Dring & Kevin Helldoerfer. They weighed in seven fish for 11.22 lbs. The team was throwing jigs. Other baits that worked were crank-baits, wooly hawgs and power worms. The air temperatures were in the low 70's to high 80's and it was partly cloudy with a little rain. The water was a bit over normal pool. The water temperatures were 76 to 78 degrees and the water was muddy.

## The Winning Strategy

From my interview with Mike Parmentier.

Before the tournament we really didn't have a plan. Pre-fishing on Friday I caught a nice keeper on a buzzbait in the back of a cove where there were a lot of lay downs. We picked up another keeper in a small cut in a cove that also had some lay downs so Saturday morning we started in the backs of coves. I was fishing a buzzbait and didn't catch anything. Michael was using a Lake Fork hyper stick and caught a keeper off a secondary point. I switched to a Wave Worm which is similar to the hyper stick Michael was fishing and I picked up another keeper in the same cut where I had one on Friday. In the second cove we fished we picked up three more keepers. My big bass was caught off a secondary point. Most of our keepers and about twenty shorts were caught between 8:00 and 10:00.

On Sunday we fished the same coves fishing the backs to about half way out. We didn't catch anything so we moved to 3 or 4 other coves we fish. We managed to pick up two more keepers. The one I caught was about half way back in one of the coves. We noticed some other boats Carolina rigging and gave it a try. That's how Michael caught our last keeper at the bridge about 3 or 4 minutes before we had to head back for weigh in. I figured we would need at least three keepers to place but didn't expect first place. I think it was mostly dumb luck.

Mike, thanks for sharing your winning strategy!
