Helldoerfer/Hinrichs Win LOZ 1, 2013

Chigger Helldoerfer and Eddie Hinrichs win their first tournament with the Hawg Hawlers. With tough fishing conditions, they were able to bring in a total weight of 12.35 lbs using jigs and spinnerbaits. On Saturday, they were one of 12 teams that brought a fish to the scale and two of their fish this weekend were over 4 lbs. Congratulations on a great win. First Place payout was \$264.

LOZ 1 "Lake News"

Twenty Four Boats find the LOZ 1 tournament to be a battle of wind and lock-jawed fish.

There were only 12 teams that brought fish to the scale on day 1 for a total of 16 fish weighed. Day 2 produced 19 keepers for a total of 35 fish for the weekend and a TOTAL weight of just over 101lbs.

On Saturday, winds reached 30+ mph at times with cloudy skies and temps ranging from the high 30s to mid 70s. Sunday proved to be a much prettier day with temps ranging from 50 - 80 degrees with blue skies. Water temps held steady between 48 - 53 degrees with clarity about normal. Water level was down 3 ft from normal pool at 656.1 feet.

LOZ 1-Special Events

Friday Night Hawg Hunt...

Nine Boats squared off on Friday night for our first "Hawg Hunt" of the year. This 3 hour mad dash for the "biggest bass you can catch" event cost \$10 per boat with 100% payout going to one lucky angler. If you pre-fished at all during the day, you know the fish were tough to find. **ONLY** two fish came back to the weigh in. Mike Parmentier with a 2.10 lb Large Mouth and the winning angler Jim Gross with his 2.90 lb Spotted Bass. Jim took the winning pot of \$90. Congrats Jim on a nice fish.

Saturday Night Bonfire/Weenie Roast...

Finally, the winds died down for the day and the weather was perfect for a bonfire and weenie roast. Several Hawg Hawlers gathered around the flame for Hot Dogs, Lori's Chili, Marshmallows, a cold drink (or three) and some great fun! A huge **THANK YOU** goes out to our "Special Events" coordinators Lori and Terry Stanek and to all that contributed to a great evening.

A HOOK from our President.....

With fishing being unpredictable this time of year, it's easy to get discouraged on the water. But the one thing that can keep you casting is knowing that this is when the big fish are biting.

With fish moving into prespawn stage, your slow day on the water can become your best day in one cast. When the water temp reaches that magical number the big bass will move up to spawning areas in shallow water usually 1 to 4 feet deep. The male bucks will move first while the females will hold off in just a little deeper water. So...if you are catching small fish with no keepers, try moving out a little to deeper water near the spawning areas and your next cast may produce the bass of a lifetime.

With the Kentucky / Barkley lakes Tourney coming up next, this could be your chance to land that big one you have been dreaming of. The weather seems to finally be trying to straighten out and with the warmer days the water temp should be perfect for some great fishing the end of this month. Hope to see everyone there. So keep on casting and never give up. Who knows the next cast could be the bass of a lifetime.

Your President,
Andy Shands / Take a kid fishin'
