Barkley "Lake News"

Ten Boats head to Tennessee to battle it out on Lake Barkley.

Saturday, all we saw was rain and a few fish. Waters were rising and getting muddier as the day progressed. Fish were pretty hard to find too.

Sunday was drier, but the floating debris gathered on all the banks and made it pretty tough to find a clean area of water to fish.

Water temps held steady between 58-63 degrees. Water levels were slightly above normal on Friday and by noon on Sunday, they were 2-3 foot high. Air temps ranged from the low 50s to nearly 60 degrees. All in all, everyone I talked to liked the lake but didn't like the weather. The time/distance traveled was about the same as heading to Pomme and less than Table Rock.

Better weather could make this a favorite lake???

A HOOK from our President....

Rain, rain, rain.....that was the main event for this past weekend of fishing. Everyone's rain gear got a good work out and some of us found out we need new gear.

With rain falling and the lake rising, it made for some tough fishing. At least for some of us...excluding the team of Forrest and Forrest who scared all of us with their first day weight.

This lake was like a cross between Lake of the Ozarks and table rock; you had docks, rocks and stick ups to fish. The bite was great until Saturday and by Sunday it had pretty much stopped. The front that came with the rain gave the bass lock jaw. But I think all the teams who came to this one will all agree that we want it back on the schedule for next year.

Three of us braved more than just fishing in the rain...we camped in it too. Yes it was wet but it was still fun. Everyone enjoyed making fun of us in our nice little wet tents, but they all told us to come and stay in the dry rooms they had. The best part was sitting around the wet wood, spraying lighter fluid on it, saying its going to burn this time. Most of the time camping is fun and Dad and I will be camping at most of the tournaments this year, so if you want to give it a try, just come on down. Remember, there is nothing better than a steak and fried taters cookin over an open fire, or listening to the sounds of the crickets chirping as you fall to sleep.

Hope to see you-all at Pomme!

Your President,
Andy Shands / Take a kid fishin'

With a lot of work, a handful of HHers pulled this off. We learned a lot from it too. We had intentions to make more money for the club, but that didn't happen. However...Those that fished the tourney did comment that this was the most professionally held tourney they have fished. A HUGE thank you to all the HH members that gave up their time to help. (Greg and Andy Shands, Dan Durbin, Bob Treadway, Bryan Slaughter, Mike Jankowski and Chris Himstedt)

A special thanks to Chaonia Landing for their help in providing a great location. Thanks also to all who were sponsors.

There were 22 boats that entered and some really nice fish caught. (9 of which were over 4 lb). The winning team was Roy Griffey and Dale Breakenridge with 5 fish weighing 19.59 lb. Congrats to Roy and Dale!

Big BASS of the day also goes to Roy Griffey with a Hawg weighing 6.42 lb.

Thanks to all who participated. (Pictures can be found on next page.
