## Lake Ozarks News

**25 Hawg Hawler boats** launched each day at LOZ I this past weekend.

Weather conditions were very nice both days with temps ranging from the low 40s to mid 70s. We did have a combination of sun and cloud cover with slight winds both days. On Sunday, as everyone was coming in for weigh in, the skies opened up with heavy rain and lightning. Most were in before they were too wet.

Water temps ranged from 50 to 56 degrees depending on where you were on the lake. Water clarity was slightly stained to light mud in the backs of coves.

The dam was generating and water dropped about a foot on Friday then held about 655 ft the rest of the weekend. (1 foot over winter pool)
