1988 - 2016 CELEBRATING 28 YEARS

## From the President's Boat...

Well, the 2015 season has come and gone and, in just a few more months, we will be kicking off the 2016 year. As with every year, your officers have been busy laying out another great year for all you Hawg Hawlers. This year the schedule will include 10 tournaments, all which will provide you with some great fishing and some great comradery.

**Clearwater will start off the season in March.** Take off will be from the State Park Marina. Even though this tournament will only be a 1 day event, for those of you who want to get in some Friday pre-fishing, there are a couple of places to stay.

**The first of April is Lake of the Ozark,** out of Red Oak. Red Oak came though yet another year with some great sponsorship, so if you are planning any non-tournament trips down to LOZ, remember to support this great resort.

**End of April is Kentucky Lake.** Remember all the 4 plus pounders that came from this Lake last year? Again, we are coming out of Moors resort and again, make your reservations early because of the Quilt show.

**The May tournament will be held at Table Rock.** We will be coming out of Holiday-Hide away. Sue and Carl are great folks who will make your stay a memorable one. This lake is a great small mouth and fat spots lake. If you need a winter project, sit down and make up a bunch of Ned rigs for table rock.

**Pomme is in the first of June** and who doesn't like Pomme? We will be coming out of Nemo resort again and Dale is giving us some great discounts.

**At the end of June,** we have the extra tournament and Kentucky Lake got the votes. We will be staying at Sportsman resort. This area is further down the lake toward Paris. If you look on goggle maps, you'll find it west of the 64 bridge. Ledge fishing is the popular way to fish but you can still catch good fish fishing the bank areas.

**Next is July,** which is usually Wappapello, but due to not being able to get accommodations at Wappapello for the whole month of July, we were forced to flip-flop Wapp and Mark Twain. So, Mark Twain is now the lake for July. We will be using the Hwy U ramp and Southfork is the resort.

**August will bring us to Wapp** and, as usual we will use Sundowner Marina for our weigh-in site.

**Pomme is next for September** and, again, we will be coming out of Nemo Resort. Just to let you know, the State Park has only 4 slips for rent and they want \$20 per night for them. Plus, the ramp there is awful.

**The last tournament of the season is again at LOZ** and we will be staying at Rock Harbor. One thing I think you will like is that we have moved the date a week later this year to try and avoid the poker run, which created all the rough water last year.

1988 - 2016 CELEBRATING 28 YEARS

Well folks, there you have it, the 2016 season. 10 tournaments and all 10 count towards the angler of the year race. The dates are all locked in and the resorts are all looking forward to see you, so don't wait. Book your reservations now! Especially at Kentucky Lake... rooms are already filling up there due to the quilt show. One thing we have discovered through the years dealing with all the different resorts is that resorts will give us some type of discounts but they don't always want to be on the sponsor page of our web site due to other clubs hitting them up for the same thing we get. So, we have come up with a way to boost their business for them. All Resorts that have a web site have a place to write a review about their resort. So, we are asking this year that you take the time to write a short message about the resort, hopefully they will all be good.

Even though I didn't list them, there are evening events planned that will give us all a chance to grow closer as friends and, who knows, you might even hear about someone's secret bait. Hopefully gas prices will stay down making it easier for everyone to attend all the tournaments. I really feel like this is the year that someone will break the clubs big bass record of 7.96 pounds.

This year every young angler (any kid who doesn't need a fishing license) who fishes two tournaments will get a plaque at the banquet, regardless if they catch a fish or not, So come on, take a kid fishing.

Hope everyone has a safe and joyful holiday and I can't wait for the season to start!

**Greg Shands**

## Lodging Guide 2016

### The 2016 Tournament Schedule Is Set!

This Guide is to assist you in scheduling, planning and your lodging needs through the tournament year. Many resorts have graciously offered to sponsor our club by providing special discounts and nightly rates for our members which are detailed in this guide. Some of these resorts have agreed to "block" a certain number of rooms for our members for a limited time. Please try to book your rooms as early as you can.

As Greg mentioned, please remember to take the time to thank these supporters for all they do for our club and patronize them whenever possible. You can easily return the favor by leaving positive feedback through online reviews (sites such as TripAdvisor.com), commenting on social media sites such as Facebook, recommending them to friends and family or booking your next stay with them.

We are hoping for another great year and hope you will be able to attend as many tournaments as possible. If you have any additional questions, please feel free to email a club officer or post your question on the Hawg Hawlers Message Board.
