Lake News

Table Rock Lake is known for good populations of Largemouth, Smallmouth and Spotted (Kentucky) bass. The club had no problem finding all three species of bass over the two day event with several mixed bags and 171 total bass brought to the scales. There was a shad spawn going on at the lake and the bass took note. I saw several schools of shad swarming around boat docks and on my electronics in areas with timber. Several anglers caught nice fish on top water, although, that bite seemed short lived for many and was only happening at certain key areas of the lake. Table Rock water was a little dirtier than normal as the area was hit with some heavy rains in the days before the tournament. Per the norm, mother nature decided to throw everyone a curve ball as nightly temperatures dropped into the 40's! Take off was a little chilly, however, temperatures quickly warmed up and it was quite comfortable in the afternoon. Everyone had a great time Saturday evening during the BBQ and the food was fantastic. Please join me in thanking Dean & Terri Sullivan for preparing and taking care of the pulled pork for the club. Also thank you to everyone who brought side dishes and joined in the festivities. Lastly, a big thanks to Sue and Carl of Holiday Hideaway for their hospitality!

BIG BASS

Tournament Big Bass - Bob Shibe

It's Official! Bob Shibe removed all doubt that he did indeed sell his soul to the devil by taking back to back tournament big bass wins at Kentucky and Table Rock. He landed a monster 5.52 pound largemouth on Saturday. Bob has caught 2 of the club's top 10 big bass of the year and I'm sure he's not done. This pig was caught on a "Shibe Special" (Black Crankbait) at his last stop on Saturday in the last 5 minutes of fishing. This hawg helped Bob & Casey Cross weigh in an astounding 22.75 pounds of fish on Saturday and finish 2nd overall in the tournament. Bob received \$219 total for catching the fish by taking the Big Bass Payout of \$84 and an additional \$135 in side-pot winnings.

Congratulations Bob!

Big Bass Sunday - Wilbur Wiedlich

Willie Wiedlich caught a nice 3.57 lb smallmouth bass on Sunday to win big bass of the day. If my memory serves me right, I believe he caught the fish on a ned rig. Big bass payout for the day was \$84.

Congratulations Willie!

Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list!

If you are having trouble starting your boat up for the first time this year give OPC a call to get you back on the water. Culprit is sponsoring us again for our Mark Twain tournament. They have tons of awesome baits that have been fooling bass for years. I personally love their Incredi-Craw for jig trailers and Carolina rigs. Check out their new 4" Incredi-Frog which features

"Incredible" easy casting and leg action imitating a fleeing frog! The body has tapered edges and a dense shape to make it heavier and more aerodynamic. The hook pocket enables easier hook-ups and the ribbed belly provides a smoother pull across vegetation. www.culprit.com

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer.

If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen. www.gloomis.com

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere.

Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
