14 Fish - 21.03 LBS

Father/Son Team, Rich & Jason Shaw beat out 27 other boats by bringing 14 fish to the scales totaling 21.03 pounds. They reported catching their fish on topwater lures, brush hogs and jigs. **First Place Payout was \$296** Congratulations Team Shaw!

Lake News

Pomme II saw 193 total fish caught for an average of 6.89 fish per boat. Saturday saw some light rain in the morning followed by some gusty winds. The sun came out in the afternoon and made for some awesome weather Saturday evening for the club BBQ. Heavy fog delayed takeoff on Sunday by about 20 minutes. Sunday had little wind and turned out to be a beautiful day once the fog cleared.

A special thanks to **Nemo Resort** for their lodging discounts and hosting our club once again. The catered dinner with pulled pork, chicken, cheesy potatoes, green beans and dessert was amazing!

ARDENT

Rule the water.

New Sponsor!

Ardent is an American owned company headquartered in...Missouri! Ardent reels are backed with a 3 year warranty which is 2 years longer than any competitor. Ardent has many different products including rods, reels, reel cleaning kits, tournament weigh in bags, culling equipment, and line and line conditioner. Their Denny Brauer series rods are high performing and very sensitive. Best of all, they are reasonably priced at just \$99! Their Apex tournament is the best value in a high performance baitcast reel. It features a high strength aluminum frame with 8+1 ball bearings & swept back aluminum handle all for \$99.

OPC Marine has been a major sponsor of the Hawg Hawlers for years. Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list!

If you are having trouble starting your boat up for the first time this year give OPC a call to get you back on the water. If you didn't winterize your boat in 2015, don't make the same mistake this year. Check out their 3 different Winterization packages before you put your boat up for the season.

Ellis Battery is another long running sponsor of our club and was the sponsor of this years' Clearwater Tournament. They can outfit your boat or truck with new and fresh batteries for the year. They have all kinds of batteries (lawn mower, laptop, cell phone etc...). Please call Ellis for all your battery needs!

Culprit is sponsoring us again for our Mark Twain tournament. They have tons of awesome baits that have been fooling bass for years. I personally love their Incredi-Craw for jig trailers and Carolina rigs. Check out their new 4" Incredi-Frog which features "Incredible" easy casting and leg action imitating a fleeing frog! The

body has tapered edges and a dense shape to make it heavier and more aerodynamic. The hook pocket enables easier hook-ups and the ribbed belly provides a smoother pull across vegetation.

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
