Lake News

Lake of the Ozarks was much calmer than usual as the big boats were mostly put up for the season and we weren't fishing during the annual Harbor Hop. The lake fished amazingly well for being recently beat up by the Big Bass Bash and the FLW Costa Series. The club caught 149 fish averaging 5.32 fish per boat which makes this one of the better October Ozarks tournaments the club has ever had (Last year saw 93 fish between 25 boats). The temps were cool in the morning, but quickly warmed up for some very nice weather all weekend. The trees started to change color and the lake was very scenic. Saturday night's chili cookoff was a huge success. Congratulations to Jim Romaine for not only catching the big bass of the tournament, but for his award winning CHILI.

BIG BASS

**Tournament Big Bass
Jim Romaine**

5.40 lbs.

Jim landed a 7 pounder on the Friday before the tournament, so it was no surprise to many that he took the biggest bass of the weekend weighing in at 5.40 pounds on Sunday. He caught the lunker on a white spinnerbait.

Big Bass payout for the day was \$81. Jim won the additional side pot money of \$130 to take home \$211 on this single fish.

Congratulations Jim!

**Big Bass Saturday
Mike Parmentier**

4.72 lbs.

Mike Parmentier won big bass of the tournament at last year's October Ozarks tournament with a 5.25 pounder. This year he landed another hawg weighing 4.72 pounds on a Green Pumpkin brush hog to win big bass of the day for Saturday.

Big bass payout for the day was \$81.

Congratulations Mike!

Awards Banquet

Andre's Banquet Center

4254 Telegraph Rd.

St. Louis, MO 63129

Sunday November 6th, 2016

Noon - 4pm

This is the largest banquet the club has seen to date with 97 members eligible to receive attendance prizes (having fished 2 or more tournaments) attending. We will be awarding THREE youth lifetime fishing permits to kids who fished 2 or more tournaments throughout the year.

FYI: The banquet starts promptly at noon. You may want to arrive a few minutes early so you have time to get checked in and situated before the meal is served.

As always, we will be raffling off prizes to help raise money for the club for the following year. Don't forget to bring cash so you can participate in the festivities and help our club ring in another great year for 2017!

Cast your Vote!

At the banquet we will announce the tournament trail for 2017. The entire season is set except for the month of September which will be decided by a club vote. Cast your ballot at the banquet for one of three lakes:

Lake	Google Maps Drive time from I-270 and I-64	
	Hours	Minutes
Norfolk Lake	4	5
Stockton Lake	3	55
Truman Lake	3	12

**For reference: Table Rock Lake Drive time is 4:05*

Norfolk Lake will require Missouri residents to purchase a White River Border Lakes Permit which costs \$10

Do your research now and come prepared to vote for the candidate of your choice. The lake with the most votes will be selected. Only members who fished two tournaments during 2016 and attend the banquet will be allowed to vote.

Culprit is sponsoring us again for our Mark Twain tournament. They have tons of awesome baits that have been fooling bass for years. I personally love their Incredi-Craw for jig trailers and Carolina rigs. Check out their new 4" Incredi-Frog which features "Incredible" easy casting and leg action imitating a fleeing frog! The

body has tapered edges and a dense shape to make it heavier and more aerodynamic. The hook pocket enables easier hook-ups and the ribbed belly provides a smoother pull across vegetation.

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
