Father & Son Team, **Rich & Jason Shaw** proved once again that Pomme is there lake no matter what the month. They located their fish offshore and caught several fish over 4 pounds with one at 5.08 pounds to take big bass of the weekend. Their average bass weighted in at 3.15 pounds. Jason launched himself into the number one spot for AOY with a comfortable lead!

Congratulations Jason & Rich!

Lake News

Pomme was supposed to be very hot and miserable; however, the cloud cover and wind on Saturday and the wind on Sunday made things much more comfortable. We had a huge field of 32 boats. In total, 206 fish were brought to the scales and every boat weighed in at least one fish. Several quality fish were weighed in. It seems the best bait was a Black/Blue Magnum Worm fished in deeper water.

A big thanks to Dale Husby at Nemo Resort for preparing the BBQ meal on Saturday evening for everyone to enjoy.

Also thank you to "The Crappie Hole" for donating to the club with a gift card and some apparel!

Remember you will need your **White Lakes Border Permit** (cost \$10) and you can fish Norfolk Lake. You do not need to buy an Arkansas license! The lake has a 15" length limit on Largemouth & Smallmouth Bass. Spotted Bass length limit is 12 inches. Make sure you are at the morning meeting on Saturday prior to take-off for clarification on all rules.

HAWG HAWLERS BASS CLUB

Sponsors 2018

OPC Marine has been a major sponsor of the Hawg Hawlers for years. Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list!

If you are having trouble starting your boat up for the first time this year give OPC a call to get you back on the water. If you didn't winterize your boat in 2017, don't make the same mistake this year. Check out their 3 different Winterization packages before you put your boat up for the season.

Ellis Battery is another long running sponsor of our club and is the sponsor of this years' Lake of Egypt Tournament. They can outfit your boat or truck with new and fresh batteries for the year. They have all kinds of batteries (lawn mower, laptop, cell phone etc...). Please call Ellis for all your battery needs!

YO-ZURI is a Major Sponsor for the Club this year. They have an awesome selection of hard baits, line and a new spinnerbait called the "knuckle-bait." Various assortment of colors and 3D Prism effects are absolutely amazing. You can find their products at Bass Pro Shops, Cabela's, Academy, Dicks or online at www.yo-zuri.com

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

SHIMANO Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
