Father & Son Team, **Grant & Patrick Priesmeyer** took their first Hawg Hawlers win at the final tournament of the year on Lake of the Ozarks. They reported catching most of their fish on Spinnerbaits.

**Congratulations Grant & Patrick!**

## Lake News

**Lake of the Ozarks** saw 27 boats for the final tournament of the year. The fishing was fairly difficult with only 75 fish weighed in. Unbelievable that the Spring tournament here yielded more fish when the temperature was in the 20's! 19 of the 27 boats put a fish in the livewell. Even the larger fish were very elusive as only 4 fish over 3 pounds were caught. It seems all the pressure from the Big Bass Bash, Harbor Hops and other tournaments impacted the fishing quite a bit.

Thanks to all who attended and a big thanks to Red Oak Resort for hosting the club! The Chili cookoff went very well on Saturday evening—thanks to all who brought chili and/or sides.

# HAWG HAWLERS BASS CLUB

## Sponsors 2018

**OPC Marine** has been a major sponsor of the Hawg Hawlers for years. Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list!

If you are having trouble starting your boat up for the first time this year give OPC a call to get you back on the water. If you didn't winterize your boat in 2017, don't make the same mistake this year. Check out their 3 different Winterization packages before you put your boat up for the season.

**Ellis Battery** is another long running sponsor of our club and is the sponsor of this years' Lake of Egypt Tournament. They can outfit your boat or truck with new and fresh batteries for the year. They have all kinds of batteries (lawn mower, laptop, cell phone etc...). Please call Ellis for all your battery needs!

**YO-ZURI** is a Major Sponsor for the Club this year. They have an awesome selection of hard baits, line and a new spinnerbait called the "knuckle-bait." Various assortment of colors and 3D Prism effects are absolutely amazing. You can find their products at Bass Pro Shops, Cabela's, Academy, Dicks or online at [www.yo-zuri.com](http://www.yo-zuri.com)

**G Loomis** - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

**SHIMANO** Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled.
