You put someone with the last name Schwent on a clear water lake with Smallmouth and guess what happens? They crush everybody and weigh in nearly 40 pounds of bass! Jeff and Mick both caught their limit each day and reported catching their fish on Ned-Rigs, Tubes and Spinnerbaits. Mick caught the biggest bass of the day on Sunday at 4.09 pounds to seal the win for the father/son team.

Congratulations Jeff & Mick!

Lake News

Stockton Lake saw a field of 22 boats. I know that the Big Bass Bash happening simultaneously on Lake of the Ozarks claimed a few boats from the club. Boy did they miss out on Stockton! 183 fish were weighed in for a 8.32 fish per boat average! If you caught 30.0 pounds it would have put you in 5th place! Several single day limits were caught and 6 anglers got a double-limit of keepers. Many mixed bags of Smallmouth, Kentucky Bass and Largemouth Bass were weighed in.

Fish were caught on several baits, but the best patterns seemed to be either working points with Spinnerbaits and Ned Rigs or flipping buck brush with soft plastics. Many anglers reported seeing bass on beds in the clearer water; however, it seemed to be primarily smaller males. Sarah Butler was able to find one nice sow on Saturday that weighed 5.07 pounds and took Big Bass of the Tournament.

Major League Fishing is coming to Table Rock Lake May 17-22.

Yes this is the same time that the Hawg Hawlers will be on the Lake!

Imagine being on the same body of water as some of your favorite anglers - Kevin VanDam, Skeet Reese, Gerald Swindle, Aaron Martens, Dean Rojas, Mike Iaconelli, Timmy Horton, Greg Hackney, Edwin Evers, Ott DeFoe and MORE! Well it's going to happen if you come and fish Table Rock Lake.

I think this is an exciting and rare opportunity for the club and after the tournament we will be able to watch and get information on how exactly the Pros dissected and fished one of our favorite lakes.

****Keep in mind that there will likely be many cameras and drones out on the lake filming live television and you should be on your best behavior. Don't be the guy who gets into an "on-air" argument with Ike or cut's off the G-Man! Additionally, there will likely be other spectator boats surrounding the leaders and popular anglers.**

Don't be surprised if KVD finds your favorite Honey Hole!
