## Lake News

Wappapello was once again very hot. Water Temps were in the upper 80's to low 90's and the lake was up over 4 feet in the few days prior to the tournament. The water level crested during the tournament at 364.2 and began falling after we left. Every boat brought fish to the scales and 3 fish over 4.5 pounds were weighed in. We were all glad to be off of the water by Noon as the temperatures started to climb and the humidity was beginning to get unbearable.

The Fish Fry on Saturday night went very well. A big thanks to Andy for suffering through the heat over the fryers to make sure everyone had plenty of hot fish! I don't think anyone went away hungry. Thanks to all who brought side dishes.

Also a big thanks to Bob Shibe for lending his brand new Ranger Boat to Craig Kuhn and Ryan Valett to fish the tournament. If you recall, Craig's boat got T-Boned by a drunk driver while driving down to Pomme. He is hoping to have the insurance settled and to be back in a new boat by next tournament.
