Team Priesmeyer win LOZ II

Patrick and Grant managed to embarrass most of us on day one with a sack of 10 fish and nearly 28 lbs. After 2 days they're total weight of 14 fish was 36.05 lbs to take the win at LOZ. Winning baits were Whopper Plopper and spinner baits. First place payout was \$314.00

Congratulations Patrick and Grant!

Tourney Lake News

LOZ II brought 36 boats to the lake to finish off a season with a very strange year of fishing issues!

The weather was cold and windy both days starting in the upper 30s and reaching mid 40 degrees. Water temps were in the high 60s and pretty normal LOZ clarity with maybe a bit more stain due to Friday's rain. Water level was slightly lower than normal pool

Most people struggled to find biting fish. There were quite a few fish over 4 lbs and our Big Fish of the year was caught on day two.

I don't know about anyone else, but I really missed the year end chili cookoff. Hopefully we'll be able to return to normal activities in 2021.
