Team Parmentier win TRock 1

Mike & Michael managed to snag a few fish... again... to take the win at Table Rock. They weighed 11 fish (5/Sat & 6/Sun) for a total weight of 24.37 lbs.

They report that they caught all their fish on crank-baits and spinnerbaits.

First place payout was \$336 smackeroos.

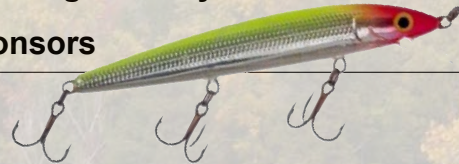

Congratulations Team Parmentier!

TRock Lake News

TRock brought 40 boats to the lake to kick off the 2021 and 33rd Hawg Hawler season.

The weather for both days was beautiful with temps starting in the 30s and warming to high 60s. Strong winds started blowing around mid day on Sunday to make fishing a little more difficult for some.

Water temps ranged from 47 to 56 degrees depending on where you were in the lake. Warmest water was up the James. Water level around the 917ft which is 2 ft above normal pool. Overall, the fish caught, averaged around 2.5 lbs which is a little higher than previous years.

This was the first "trial tournament" where anglers daily limit was THREE fish. For survey results and the club response, check out page 11.

There's also a short read on how awesome our "club family" came to the rescue for two teams!

Hawg Hawlers Bass Club

Results of the member survey...

Below are the results of our "member's opinion" on changing the daily creel limit per angler from 5 to 3 fish:

GOOD IDEA - 42 VOTES

BAD IDEA - 17 VOTES

UNDECIDED - 13 VOTES

The survey shows that a clear majority of respondents believe this will be a good change for the club. Of the members who were against the change several seemed to have the biggest issue with different limits for different lakes in the same year. While our intent was to do this on a "limited trial/experimental basis" to gather feedback it seems many would prefer an "all or nothing" approach so that no tournament is more important than others. With that being said, the officers have decided to keep the 3 fish creel limit in effect for the remainder of the year for ALL tournaments for 2021.

At the end of the year, we will hold a "banquet vote" to see if opinions have changed and if a majority still favor the change after a year of trial. Officers believe the Pros and Cons of the change will reveal themselves and everyone should be able to make a more educated decision based on actual results instead of speculation.

Thank you for those who participated in the survey. As promised, you were put into a drawing for Bass Pro Gift Cards. The winners are:

Garret Byrd - \$20 Bass Pro Gift Card

Steve Midgley - \$20 Bass Pro Gift Card

Mike Jankowski - \$20 Bass Pro Gift Card

Nate Dickerson - \$20 Bass Pro Gift Card

Sam Sutton - \$20 Bass Pro Gift Card

We have an AWESOME HH Family...

So....my awesome weekend of fishing Table Rock had a twist at the end. After filling up the boat with gas, I managed to get about 1/8th of a mile down the road before my egr cooler shot craps. No warnings at all. Then, a THREE hour wait for a tow truck to arrive and take my truck to the nearest dealership.

Several club members stopped to help. ***Thank you to team Parmentier, Jim Romaine, and especially Patrick Priesmeyer....who hooked up my boat and towed it, myself and my partner back home to my driveway. I'm forever in debt.***

Fortunately it looks like this EGR cooler had a recall on it so this may be a free fix for me.....however, it's never free.

Why didn't they fix this during my last visit that specifically addressed recalls? Hmmm.....

I don't have the details, but it's my understanding that club members also stood tall to help Rich & Jason Shaw who had truck AND boat problems.

Thank you to anyone who helped them out. We Have an AWESOME HH Family!!!
