Pomme I News

Pomme I brought 25 boats (paying out 6 places) to one of the “club favorite lakes”.

Saturday morning was muggy in the high 80s and climbed to near 90 degrees with sun and a light breeze if you were lucky enough to find it. Sunday was a sweat fest in the mid 90s and HOT!

Water temps were near 82 degrees depending on where you were in the lake. Water level was around 4 foot over normal pool with a heavier than usual mud stain and lots of tree pollen. Water clarity was not much, maybe a foot.

Many people were able to catch their limits, but quite a few were small “cookie cutter” keepers. A handful did manage to find the “biggs” and I heard they were moving out deeper.

Successful baits were jigs, shakey heads, brush hogs, and a bit of top water.
