## LOZ I Lake News

**LOZ I** brought 37 boats to the lake to see if we could do better than we did at TRock 2 weeks earlier.

The weather on both days started cold, in the mid 30's but warmed nicely with sun each day. Wind on Saturday made it tough to fish the main lake and even some secondary points. Sunday was pretty darn perfect most of the day.

Water temps ranged around 49 to 52 degrees. Water level was the lowest I've seen in some time at 654.5 ft which is 5+ ft below winter pool.

Overall, we did do better, but not by a lot. The weather shifts late in the week didn't help fish stage where we wanted them and most still struggled to find keepers.

Only 45 out of 73 anglers caught/weighed keepers. That means that 38.4% of anglers Zero'd.
