Twain Lake News

Mark Twain brought 23 boats to a the lake to see if anyone could find bass to put in the livewell.

The weather on both days started in the mid 50's and worked it's way up into the mid to high 80s. Both days the skies were high, bluebird, and with the occasional slight breeze.

Water temps ranged from the high 70's to low 80 degrees by late in the day. Water level was a little over a foot below full pull of 606.

Fishing was tough for some, as expected, with more fish being caught on Day 1 than 2.

Many that did well on day 1 could not find a keeper on day 2 and the most common 4 word saying I heard all weekend was, "I HATE THIS LAKE!"

The winners caught fish their fish on a wacky worm. Who in their right mind would ever think that "Twian" would be won on a wacky worm in June!

Goins/Kuhn win Mark Twain

Jeremy & Craig figured out what most people couldn't and took the win with 10 fish for a total weight of 26.04 lbs.

They report that they caught all their fish on either luck and a prayer or wacky rigs and spooks. Nobody knows for sure on this lake.

First place payout was \$273.

Congratulations Jeremy and Craig!
