Stockton News

Stockton brought 22 boats to the lake to battle it out to see who could find a fish over 6 inches.

The weather for both days was beautiful, with morning temps in the mid 50s and afternoon temps in the mid 80s. Very slight cloud cover in the AM and mostly bluebird skies by 10AM.

Water temps hung pretty much around 80 degrees for both days. Water level was at least 10 foot low and showed us banks and structure that we'd never see at normal pool. Visibility was 6+ feet in the low end and lessened farther away from the dam.

Fishing was tough for most with 12 out of 22 boats weighing 3 fish or less (for the entire tourney)

Winners caught fish their fish on Z Craws, Cutter Worms and Wopper Poppers.

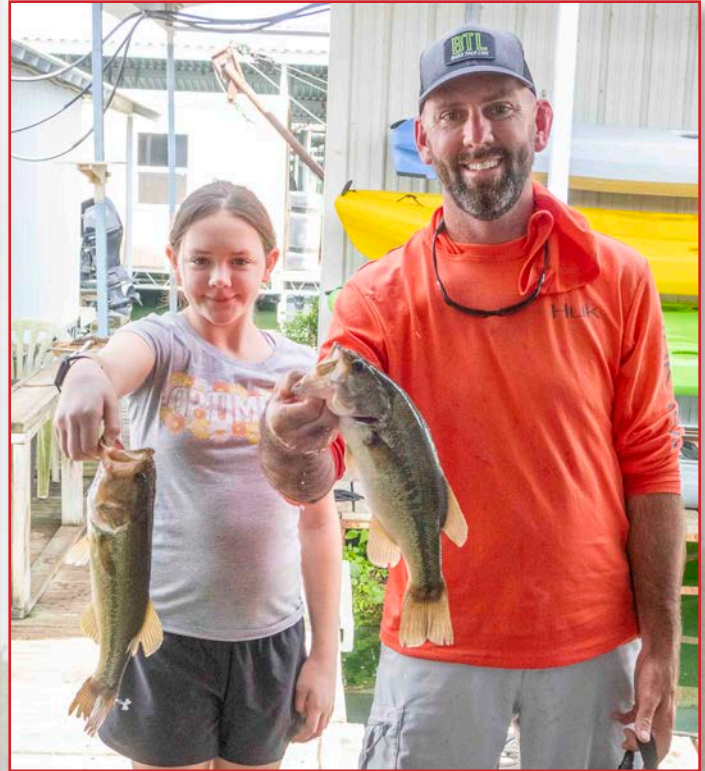

Next tournament is at Bull Shoals - 9/30 - 10/1. See page 8 for more details.
