JULY MEETING.....

The July meeting was very UN-eventful principally due to the fact that no members showed up. We had the club officers, but no one else. It was suggested that last months newsletter may have misled some members into thinking that there are no more regular club meetings. This is not the case. We WILL continue to have regular club meetings at the library, at least until October of this year. We've got lots to do. We still must discuss this proposal and vote on it, and elect 1992 officers. Real exciting stuff, huh! But seriously folks, we do need input from everyone concerning this new direction for the club. Please come to the August/September meetings to express your opinions. All opinions (and members) are welcome.

AUGUST TOURNAMENT RESULTS.....

This is getting old! Stanek and Treadway must be stopped! This is THREE in a row, and you guys are loosing friends fast.

Seriously, it takes more than luck to be as consistent as these guys. Another team effort, Terry's 2 fish, and Bob's 1, weighed a total of 5.74 lbs., and took first place. Terry and Bob were using shad colored Jerk worms on wooded points about 10-15 feet deep.

Second place was won by Carl Zumwallen and Joe Lavell. Joe's 3.05 pound fish also won big bass. So much for the argument that the big bass is always caught by first place. Joe caught his fish on a salty craw, off a log in about 20 feet of water.

Boy, I tell ya, ya cant swing a dead cat without hearing that Durbin and Hamm placed again. Dan and Garry took third place (that's three money months in a row for these guys too). Garry's fish weighed a respectable 2.38 lbs., and was caught on a power worm, 10-15 feet deep off a log.

Although there was no money awarded for fourth place, the editor in chief of this prestigious publication felt it necessary to announce to the remainder of the club.....that the team of Greg Heinz and Steve Rhea finished in fourth place. This was principally due to Steve's keeper (1.74 lbs), although Greg netted the fish for him, and got the livewell fixed in a nick of time. Congrat's Steve on getting off the alphabetical listing. Oh yes, Steve's fish was caught on a crawdad colored crankbait, in 10-15 feet of water, near a wooded point.

SEPTEMBER TOURNAMENT.....

The September tournament will be at Lake of the Ozarks on the weekend of the 7th and 8th. (Saturday 2pm to 8pm, Sunday 6am to 1pm). Take off/weigh-in will be from Donna's North Shore Resort.

VIDEO LIBRARY.....

The video library is taking off like wildfire!!!! We have 3 videos already. Yes, it's the same 3 that were mentioned last month. If you have a video you are willing to share, please let one of the officers know. We are compiling a complete list for publication in the newsletter, so please let someone know soon.
