

IN *Hawg Hawkers* NEWSLETTER R

The March tournament this year was very similar to 1991 other than the weather. For those of you who fished last year, you probably remember how much it rained, well this year the conditions were much better. As far as the fishing goes though, it was similar to last years except for a 6.56 lb bass that was caught on only 6 lb test line by Mark Henry, way to go Mark!!! There were 11 boats at Clearwater and out of 22 anglers, 15 caught fish for a total weight of 36.02 pounds of fish. To get the statistics of the tournament look at the Tips & Trips and the angler of the year standings provided in this newsletter.

Attendance prizes were handed out after the tournament was over and the following people won:

- Jack Newbury---2 Rattle Spots
- Steve Mertz----Craw pack
- Ron Czarnecki--Free tournament
- Terry Hainey---Free tournament

We welcome to the club this year as new members Steve Mielke and Rick Firebaugh. So far for the April tournament we have 3 boats registered and heard of 4 or 5 more boats that seem interested in fishing Table Rock lake. The last day of mail in registration is Wednesday, April 1.

We would like to remind everyone to make themselves aware of the tournament procedures. This way everyone knows what is expected of them and how the tournament will be run. Our goal is to have a smooth running tournament and if everyone is aware we should have no problems.

Last month we let you know about a change in the schedule. Just as a reminder, the May tournament take-off will be at South Fork on Mark Twain lake.

In this newsletter we have provided an order form for hat and jackets. The order will be placed just before the May tournament. We will be doing this again in October.

As a final note, this will be the final newsletter to anyone who is not a current 1992 member. To become a member and to continue to receive the newsletter send \$10.00 to:
