Hawg Hawlers NEWSLETTER

NO NEWS IS GOOD NEWS

CLUB ALL TIME RECORDS

There is essentially ^{no} news for the newsletter this month. ^{The} principle purpose of this newsletter ^{is} to provide our members with the items attached. You will, hopefully, find attached.....The 1993 tournament schedule, and the latest and greatest version of our tournament rules, including a little membership slip you supposed to fill out COMPLETELY, and return with your \$10.00 membership fee.

COAT/HAT ORDER UPDATE

I am writing this on the 13th of January, so there is a slight chance that you will receive it before the deadline of the coat/hat order. There is a change on the order form. Nothing major! Where it says a maroon item and grey logo, should read a white logo. We got some maroon items with grey logo's last time, and I thought they looked pretty good. I must admit that the grey they used was a little dark. Anyway, all maroon items will have a white logo (by popular demand). If anyone specifically wants a grey logo, give me a call (Greg 441-7452).

As of this date, I have orders for all items.....coats, hats and tee shirts. So if you're waiting until the last minute to see who else is ordering, I can tell you that it should be a good size order. Because of this and the last minute color change, I will extend the deadline to the end of January. Okay, now its time to buy one for the wife and kids, too. Spread the Hawg Hawler good name and wear your logo proudly.
