Table Rock Results...

Table Rock has not been very good to us over the past couple of years. This year it was better than usual. There were 22 fish caught from our 18 boats. Only one boat had 4 fish, and two others had 3, the rest of the fish were spread out over the other 15 boats. A total of 12 of the 18 boats had weight, which is very good production for Table Rock.

Our 1994 Table Rock Champions repeated in 1995.....

(note: This is the first time that the big bass was NOT "in the placement prize money")

Just in case you were wondering.....

We thought that there were 19 boats in the Table Rock tournament. There were only 18 boats, consequently the payout was for 18 boats, but 19 were shown on the tally sheet. One of the boat registrations for Mark Twain got mixed up with the Table Rock list. In the end, we had 18 boats registered, paid out for 18 boats, but had 19 listed on our tally sheet. The responsible party has been shot, and has promised that it will never happen again.

Tournament Director THANKS

Each month I try to thank our tournament directors for doing their jobs well and volunteering their time to help run our tournaments. The thanks has always been deserved, but last month was different..... Jay Petero and Dave Reiken have taken the tournament directors job to new heights. Everyone that participated knows, what a great job they did. Taking the responsibilities and running with them, helping out wherever help was needed and handling things wherever things needed to be handled. These guys were naturals. Thanks Jay and Dave for an outstanding job.

Another change was instituted at Table Rock. The measuring and weighing responsibilities were handled by some of our club members. Tom O'Connor Jr. and Gary Peck helped with the weigh in, and did a bang up job. Thanks Tom and Gary for your help. This worked very well, and will be continued. Be ready when you are asked to help.

Mark Twain NEXT !!!

The next tournament is on Mark Twain Lake and will be held from the Northfork ramp, sometimes called the "U" ramp.

Club Apparel.....

Quite a number of members have been asking about Hawg Hawler Shtuff (ie; hats, shirts, jackets, etc.). Hats will be available at the Mark Twain tournament (at weigh-in). Tee shirts, golf shirts, jackets, and other items will be available in another month or so.

Reminder.....

Please keep in mind that we need to know how many participants we are going to have in a tournament **AHEAD OF TIME**, so we can register with the Water Patrol and the Army Corps of Engineers, and buy attendance prizes. Please **SIGN UP EARLY**...and....Remember we only require two things to register for a tournament.....

The registration fee.
