### Truman Results . . . .

Mechanical troubles seemed to be the order of the day at Truman this year. One Trolling motor plug, two trolling motor cables (different boats) and one propeller all bit the dust. Luckily most were fixable and didn't cost toooo much fishin' time. Oh yeah, speaking of fishin', there was plenty of it. We had 16 boats that did plenty of fishin'. Catchin' on the other hand was a little more rare. Our 16 boats only brought in 17 fish during the two days of the tournament. Stats below...

### Club Apparel

We are looking for a new supplier for club hats, tee shirts, coats, etc. If anyone knows a good source for Silkscreen items, please give me a call (Greg 398-4081).

### Refunds for Ozarks Tournament

There are a number of teams who we have not heard from, regarding the refunds from the Lake of the Ozarks Tournament. Any team who has not called Ron or Greg, please do so regarding your refund.
