

## Clearwater Results

Mild spring weather with a late morning thunderstorm thrown in for good measure set the stage for the first HH Tournament of 2000. Looks like we are off to an impressive start for the season, with a new HH lake record for number of boats (29), as well as fish caught (155). Terry Bost set the pace early this year for Big Bass with an impressive 6.41 lber.

## Lake of the Ozarks Preview

*April 15-16 at Irish Hills Resort*

Just a little over a week until the always-popular Spring Lake Ozarks HH Tournament. This was our biggest tournament of 1999 with 33 boats. Rich and Richard Eder won it with 19.73 lbs of fish on C-rigged lizards. Gene Reim's 6.39 big bass of the year was also caught at OZ last spring.

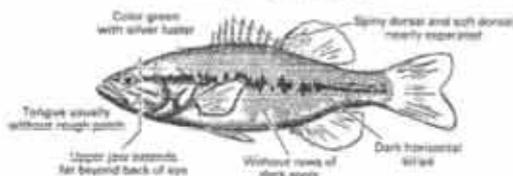

### Directions

We are fishing out of Irish Hills Resort this year. From Camdenton, take Hwy 5 North 6 miles to a left at Lake Road 5-78 (just PAST the Conoco station). Follow the signs to Irish Hills. Please note that Irish Hills only has launching available for those staying at the resort.

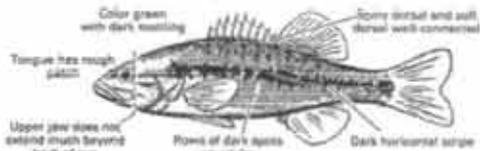

### 12" SPOTTED BASS LEGAL

12" will be the legal length limit for Spotted Bass at both Lake of the Ozarks tournaments this year, as well as Bull Shoals. Here's how to ID them:

**MISSOURI SENATE BILL 711  
WITHDRAWN**

Good news. An email response received from the introducer of this bill, Senator DePasco, that was slated to ban carbureted 2-stroke engines on Missouri's waters beginning in 2005, reports that the bill has been withdrawn. Probably not the last we will hear on this front, but certainly good news for now.
