

Schultz & Grobe Take 1st at Truman

Top 30 boat field with 16.31 lbs.

Neil Schultz of Hillsboro, and Russell Grobe of Herculaneum, managed to put together a pattern of worms fished in the trees of the Pomme Arm to overcome a tough bite at Truman the weekend of September 9-10. The fact that 36 of the 60 entrants never caught a keeper in either day of the tournament, attest to how difficult keeper bites were to come by.

Last Tournament of 2000 - Lake of the Ozarks

October 7-8 at Irish Hills

The Hawg Hawler season will finish up with our traditional fall Lake of the Ozarks tournament. Like our spring tournament, we will be on the Niangua Arm of the Lake, fishing out of Irish Hills Resort. Note that 12" will be the minimum length limit for Spotted Bass, the Largemouth minimum will be 15" as usual.

Last year's October Ozarks tournament was won by Kelly Nolie and Joanie Dieckhaus with an 8 fish bag totaling 17.34 lbs on black buzz-baits.

Directions

From Camdenton, take Hwy 5 North 6 miles to a left at Lake Road 5-78 (just PAST the Conoco station). Follow the signs to Irish Hills. Please note that Irish Hills can only provide launching for those staying at the resort. Gale Access is just a few miles down the Niangua for those looking for a public ramp nearby.

TRUMAN BBQ

Truman was the site of our second Hawg Hawler BBQ of the year. Decent weather, great food, and good friends made for a good time for all.

THANKS ARE IN ORDER...

Many thanks go out to Rich Gaugh. In true sportsmanship fashion, he was good enough to make sure the fish that did not survive weigh-in at Wappapello did not go to waste. Thanks for taking and cleaning those fish, Rich.

REMINDERS

- **Check your points at the lake.**
 As good as your club officers are - we all make mistakes, make sure we have your creel points correct before leaving the weigh-in area. No adjustments to creel points will be made after weigh-in is completed.
- **Free T Certificates must be used this year.**
 Be sure to use up any free tournament certificate you may still have for the Ozarks tournament. They can not be carried over to the next year.
