

## Reim & Reim Win Ozarks

Top 31 boats with 25.93 lbs.

Long time Hawg Hawler member Gene Reim, and son Teddy Reim overcame a difficult fall cold front condition to beat out 30 other teams in the final tournament of the year at Lake of the Ozarks on October 7-8.

Conditions had the Lake 4 1/2' low and water temp around 67° (not too bad per Mike McGraw). Saturday afternoon weather was partly cloudy and windy with temps in the high 30's. Sunday morning was clear and cool, warming into the mid to upper 40's by weigh-in time.

**RAW! RAWLESS UNHURT IN BOATING ACCIDENT**

Ken McNeil and partner Greg Heinz were involved in an accident with another boat Sunday morning shortly after takeoff as they headed towards the Osage Arm. The front of a 17' Sprint bassboat collided with Ken's 22' Champion on the port side just in front of the passenger console. Luckily, no one in either boat was injured. The Missouri Water Patrol was contacted and issued a report finding neither party at fault. Hopefully, Ken and Greg's misfortune can serve as a wakeup notice to all of us just how quickly a situation can occur, and how alert and careful we need to be at all times on the water. The Water Patrol Officer's advice was that "when in doubt.....shut her down". Good advice for all of us.
