

Beach's Win Stockton

Young Hawg Hawler Carries Team to #1 Spot

11 year old Chuck Beach and his partner Charlie Beach (father and club Secretary) bested a 26 boat field to take top honors at Stockton April 7-8. Chuck more than carried his "weight" with 5 of the teams 9 fish total, including Saturday Big Bass. Mother Nature served up 25-30 mph South winds and 80° temps for Saturday afternoon. Sunday's weather had much less wind and warmed to similar temps, water was about 1' above power pool, and ranged from lower 50's to low 60's depending on lake location. The Beach team made the run to the South end of the Sac Arm to find their fish in the backs of coves.

Lake of the Ozarks next Tournament

Biggest Hawg Hawler T of the Year

Historically the biggest tournament of the Hawg Hawler schedule, the Spring Lake of the Ozarks event is next up on April 28-29. Last year we set a new club record with 42 boats in attendance. Tom O'Connor and Rick Armstrong won the 2000 competition fishing Super Flukes. Expect to see some nice fish caught, last year's Big Bass of the Year, a 7.04 lber by Mark Tomasiak also came from the Spring Ozarks Tournament.

Our first club BBQ of 2001 will be prior to take off on Saturday at 11:00 am. This is always a fun event (bring your own beverage). If you have not done so yet, **please get your entries in as soon as possible** so we can determine food needs for the BBQ.

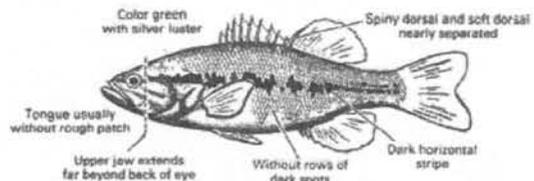

Directions

We are at Plaza Beach Resort on the Niangua Arm of the lake this year. To get there, from Camdenton follow Hwy 5 North to lake Road 5-71, take a left and follow the signs to Plaza Beach on the right.

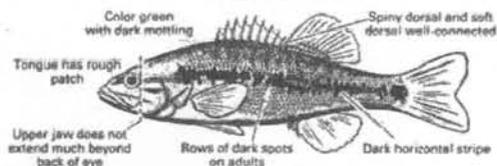

12" Spotted Bass Legal for Ozarks

Legal minimum length for Spotted or "Kentucky" Bass will be 12" at Lake of the Ozarks (Largemouth and Smallmouth are still 15"). Here is how to properly ID them. Also, feel free to check with club officers prior to weigh-in if you are in doubt.
