

Heisler and Horman Top Wappapello

Top 31 Boat Field

New club members Marshall Heisler and Larry Horman amassed the winning bag at Wappapello the weekend of August 25-26. The team fished a combination of worms and spinnerbaits to collect their winning total of 16+ pounds. Congratulations guys!

Warm but stable weather on Saturday gave way to thunderstorms Sunday morning. Lake level was stable at the normal summer pool, water temps in the 80's.

A new all time club record for most fish weighed in was set with a total of 323 fish (old record was last year at Wap with 234 fish).

Marshall Heisler & Larry Horman
14 fish, 16.91 lbs, 8 pts each, \$236
Pattern - worms & spinnerbaits

Truman next Tournament

September 15-16 at Osage Bluff Marina

Back to Truman for the second tournament there for 2001. Last fall's Truman tournament was won by Neil Schultz and Russell Grobe fishing Red Shad worms in the trees. There will not be a BBQ at Truman, as we had no volunteers to handle organizing it.

Directions

From Warsaw, Missouri go South on 65 across the Osage River. Take the 83 South, White Branch exit and follow 83 South for 4 1/2 miles. Take a Right at the Osage Bluff sign and follow the road to the Marina. See you there.

From The President's Boat

We are going to conduct the club survey a little different this year. We will be mailing a survey to all 2001 paid club members AFTER the Awards Banquet. Taking the survey after the Banquet will allow us to include comments regarding the October "T", and the banquet itself. This will also allow us to include the 2002 officers (who will be elected at the banquet) in a joint meeting to construct the survey. This joint meeting will provide feedback from the outgoing officers, and input from the incoming officers in the survey. In addition, the officers can take plenty of time to discuss the results, and not have to try to compile results while organizing a banquet.

The officers will do their best to get the survey out as soon after the Awards Banquet as possible. It will include a self addressed, stamped envelope for its return. If anyone has an issue they feel should be included on the survey (or want to discuss anything at all), please email me at president@HawgHawlers.com, or call me at 636-398-4081 (evenings).

Thanks. Greg.
