From the President

Although the weather wasn't the best and the fish didn't cooperate, I would like to thank all who participated in the Hawg Hawlers 1st Annual Gene Reim Memorial Tournament. The large turnout and the \$570.00 raised are a wonderful tribute to Gene's memory. This just shows the impact that Gene had on so many members of the club. I would like to congratulate all the Big Bass winners of this event and I would like to give a special thanks to Greg Heinz and Charlie Beach for organizing and handling the voluntary big bass side pot for this worthy cause.

Again members, Thank You

Bob Treadway

President Hawg Hawlers Bass Club

1ST Annual Gene Reim Memorial Tournament a Success

Hawg Hawlers are awesome! Members showed up and shelled out! This was our largest tournament to date with a total of 45 boats with 88 anglers. What a turnout! \$570 was collected and donated to the American Heart Association in Gene's name. Greg & Charlie did a super job. Everyone received one of Gene's signature white spinner baits. The top three big bass anglers received plaques and Lori Luzynski won the Canada trip donated by Morson Outfitters Lodge.
