Hawg Hawlers Thank New Sponsor Pomme State Park Marina

Hawg Hawlers would like to thank everyone at Pomme State Park Marina for a great weekend. Even with high waters claiming half the parking lot and several tournaments taking off Sunday, they did their best to accommodate our club.

We are also pleased to announce that Pomme State Park Marina is now one of our sponsors. They have generously donated a couple of slip rentals which will be awarded as attendance prizes. Check out the marina website at www.pommestateparkmarina.com or click on their link from our Hawg Hawlers website.
