Your 2002 Officers would like to thank everyone for a great year.

What a way to start the season.

March Lake of the Ozarks

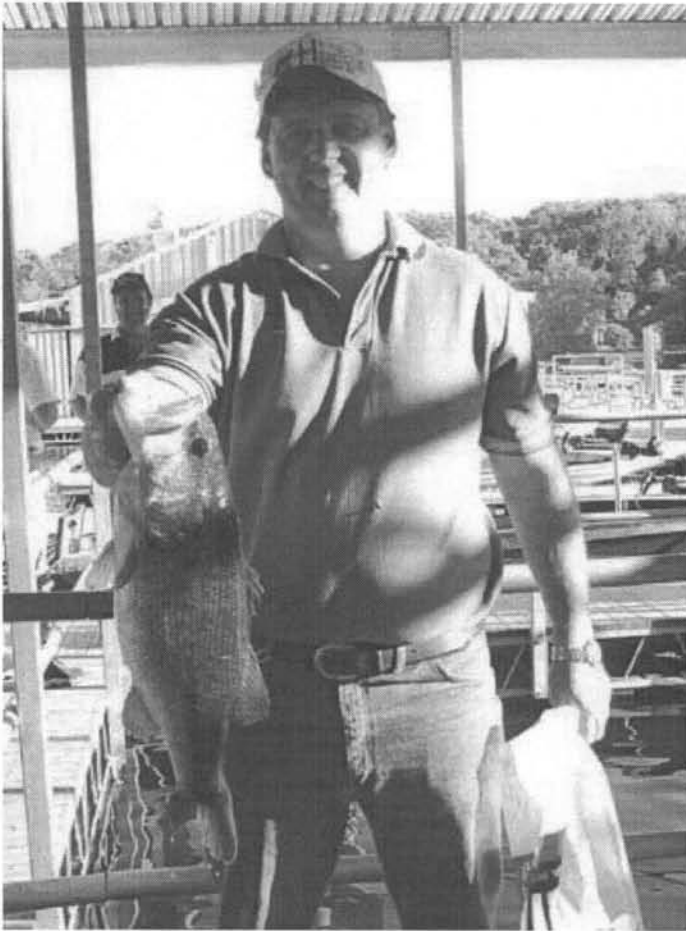

We came together in record numbers to pay our respects and show support for a worthy cause at the Gene Reim Memorial Tournament.

The rest of the year we had pretty good weather and pretty good fishin' with a great bunch of people.

We look forward to seeing everyone at the dinner and hope you all return in 2003 for another great year.
