2003 (Spring) Ozarks Results:

Mother Nature gave us a couple of beautiful days for our Ozarks Tournament and the spring Bar-B-Que. The weather was nice, the food was great and the fish were biting.

The BBQ was put on by the officers with a bunch of help from Bob Treadway, Terry and Frank Stanek and Scott Mertz. Gary & Donnie bought and brought enough food for everyone....for TWO MEALS, and still had leftovers. They were up till midnight Friday night boiling Brats (BBQers tip: Boil the fat out of Brats prior to tossing them on the BBQ, and they don't flair up on the grill). Along with the Brats, we had hamburgers, regular and German potato salad, and plenty of chips. Congrats to all who helped with the feast. It was very good.

It sounded like the bite was "ON", on Friday. There were a some 3 & 4 lbers, caught, and one over 5lbs. But unfortunately those "Friday Fish" don't count (right, Scott?).

Saturday' tournament didn't produce any 5lbers, but came pretty close with a 4.79 lb fish. Sunday backed off slightly with another nice 4½ lb fish being brought to the scales. All in all it sounded like most people caught plenty of shorts, with about ½ of the boats bringing keepers to the "weigh in".

It was definitely a "larger" fish tournament, as many fish in the 3 to 4 pound range were brought in. Fish were obviously ready to spawn. Some even deposited some eggs in our measuring tub. Soft plastics (brush hogs, lizards, etc) on c-rigs and Texas Rigs seemed to be the popular pattern. With some coming on spinnerbaits, jerk baits and cranks.

FROM THE PRESIDENT'S BOAT...

With our phenomenal growth, it is getting more and more difficult to keep track of, and welcome, "NEW" members to our club. Please let me take a moment to welcome any new members to the Hawg Hawler Family. Please feel free to introduce yourselves to the current officers and let us know how you feel about your Hawg Hawler experience. We hope you enjoy your stay, and come back to fish more tournaments with us in the future.

Club Jacket Order

We received orders for 10 embroidered club jackets. They have been ordered and will arrive shortly. After they are embroidered, they will be available for pickup at a club "T" or delivery (at additional charge). We will try to have them ready by Pomme, but NO PROMISES.

Newsletter Note

The previous FOUR newsletters have stressed the rising costs of postal mailing this newsletter to a club of our size. Everyone with email was encouraged to request the HH News by email, or access it on the web. A big club THANK YOU to those who responded.

The newsletter typically costs about \$.90 per copy to Xerox, fold, staple, address, and mail (including postage). Multiply that times the quantity of newsletters mailed per month, and again times the number of newsletters per year, and it is estimated that there is a potential annual savings of \$800.00. When realized, this savings will go back to the members with bigger and better prizes for our year-end Awards Banquet.

As of this newsletter, the HH News is only being snail mailed to those (6 members) who have requested it. If any member is in contact with another member who did not receive this newsletter, and would like to receive it by email or postal mail, please ask them to contact me, at

Greg

Tournament Directors Needed

Tournament Signup REIMinder

While it is nice to use the return form on the schedule to signup for a tournament, the form is NOT necessary. What we need for a team to sign up is 2 names and the entry fee. A check with 2 names in the "memo" area (and the lake) is quite sufficient.
