### Mark Twain hasn't changed

Jun, 2001 28 boats 4 fish total for the tournament (winning weight 2 fish = 7.38lbs).

Oct, 2002 32 boats 8 fish total for the tournament (winning weight 1 fish = 3.45lbs).

May, 2004 18 boats 23 fish total for the tournament (winning weight 4 fish = 7.57lbs).

The past three visits to Mark Twain have been extremely UN-impressive. It's usual stingy self was apparent with our May tournament. We could only muster 18 boats to attend (and one of those was a last minute entry).

To answer the question that was bantered around at the weigh-in... It was back in 1998 (6 years ago) that we had a tournament with fewer than 20 boats. This year we have had TWO of them (Bull Shoals and Mark Twain). These two lakes were added to the 2004 schedule because of the survey we took last fall.

Only 23 fish were weighed in during our 2004 Mark Twain visit. Two keepers was the maximum that any individual angler could find, and there were plenty of zeros on the tally-board. Of course we were there following 3 days of rain. The lake was at normal pool, but lightly muddy. The weather was typical May weather, with cool mornings and warm afternoons. The faces of our members showed that they got their fair-share of sun.

Congratulations to Steve Carnal and Brian Ameiss for finding a total of 4 keepers (2 each), and outdistancing the field to get the winners checks and points. Congrats to Bob Treadway on his Sunday Big Bass of 2.77lbs, and David Henley's Big Bass for Saturday and the weekend of 3.24lbs. Dave also took the \$85.00 side pot. It has been a long time (if ever) that BOTH of the Big Bass winners DID NOT place in the money, but it happened at Mark Twain. Congratulations to all of the winners and participants.

### New Hawg Hawlers

The Hawg Hawlers welcome returning members John Luzynski, Allen Mueller, Terry Haynie and Gary McFetridge. If these names sound familiar to some, it's because John, Allen and Terry are all former officers of the Hawg Hawlers. Terry and Gary are the previous holders of the highest wining weight record (until Dave Sona and Neil Volkmann broke it last month). Welcome back to the club, fella's. The Hawg Hawlers would also like to welcome all of our new and returning members to the club. We hope you enjoy fishing with us. Please let the officers know if you have any suggestions, complaints, or praises for the club.

### Next Tournament

Stockton Lake is the next stop on the Hawg Hawler Trail. Hope to see everyone at the State Park Marina, on June 12th and 13th. Saturday "T"-times are 12noon to 6pm. Please remember that the water patrol changed our SUNDAY start time to 6:30am, so weigh in will be at 12:30pm.
