Stockton Lake Tournament

The results of the 5th Hawg Hawler Tournament of 2004 were typical of most of our recent outings... FEW fish were caught. Stockton Lake was no different. Our 25 boats could only tally 20 keepers. The most ANY single boat brought to weigh-in was 2 fish. That's some pretty tough fishing. Other species were biting pretty well though. Tom O'Connor weighed in a 12.5 lb catfish, Greg Heinz had a 7lb cat also, and there were reports of some decent sized "Carp Catches". But the Bass were definitely tight lipped.

The weather didn't cooperate with us, either. There were plenty of thunderboomers, wind, rain, hail, and lightning. Well, so much for the "good" news. There was also a cold front that moved through in the middle of the "T". But, as they say, somebody, somewhere, WILL catch fish.

Ken Luzynski and Dave McGarity out desistance the rest of the competitors and won the "T". Their 4.45lb stringer (2 fish) may not be that impressive in the record books, but it was more than the other 24 boats could weigh in. Gary Stranghoener took the Big Bass of the weekend prize with his 3.4lb, and Rick Armstrong took Sunday's Big Bass and the side pot of \$110.00 with a 2.61lb fish. Full results, and patterns (yeah, right) are listed below.

2005 Officers

Anyone interested in serving as a club officer next year, please contact one of this years officers, and let them know that you are interested. Prior to the end of the year, we hope to come up with a duties list that defines the responsibilities of each officer position.

Next Tournament

Our next "T" will be at Lake Pomme De Terre. As usual, we will be fishing out of the State Park Marina. Pomme State Park Marina has been a "Hawg Hawler Favorite" for many years. Please support them in your travels to Pomme De Terre.

Please send your entries in early, and book your room and slip for a good time at Pomme. Maybe this is the tournament that will break this streak of low weights. Remember, the 2nd largest Hawg Hawler Tournament Weight was posted in July at Pomme De Terre. If that is not enough to entice you to attend, the winners said they caught their fish on "baby 1-minus" crankbaits. There it is. You have the date, the month, the lake and the pattern. Now all we need are some 30 pound stringers to take pictures of. See you all Pomme.
