### Big Winners

Everyone that enters into fishing tournaments is hoping to have a big day and that's exactly what Chuck Elders did by himself. Chuck had 4 fish weighing in at 10.52lbs and he had Big bass 5.45lbs to boot. He said he was fishing with his own homemade jigs, but I couldn't pry any information out of him about these secret lures (Smart Man). For his efforts Chuck took home \$390 for first place and \$130 from the club for big bass. He also won the side pot worth \$180 giving him a total of \$700. Way to go Chuck, and welcome back to the club.

Second place was Russ Grobe and Bill Scheller with 6.90lbs. Anchored by a nice fish from Bill of 4.63lbs, this just missed out on big bass. Once again these guys also were using jigs, but I did get the color was brown. As Russ put it at the weigh in, he was taking home coat tails. Good work Russ. They took home \$270 for their (or Bill's) 3 fish. Good job guys.

Third Place with 6.08lbs was Bryan Walker and Jim Fanter. These guys are starting out this year hot just like they finished it last year. They won \$166 for the 3 fish they had and Bryan had second big bass, weighing in at 4.95lbs. This got an additional \$130. Their total was \$296. I'm guessing these guy's like the new payouts. And I bet you can guess what they were throwing: JIGS. Texascrawl colored.

Next tournament is at \_\_\_\_\_ on Lake of the Ozarks April 2-3. Don't forget we will be providing barbeque for everyone before Saturday's tournament around 10:00am.

### Fun Stuff

Remember the first fish you caught in a tournament and how excited you were and imagine if that fish was enough to get you a paying position. Well that was the case with Judy Fileccia this weekend. She caught a nice fish weighing at 2.24lbs. Just missing 7th place by .01 of a lb. This got her team an 8th place finish. Nice job Judy. Next up Greg Shands. His fish was so big, the scale could hardly read its weight (see \_\_\_\_\_). I guessing you got that fish out of some little kid's fish tank. All kidding aside it's nice to have you back after being gone on your military duties last year.

### Directions to Red Oak

### Message from the President

Dog Days of March?!? Well, Clearwater is a lake of extremes. Last year produced record bass and this year record heat....and a few big fish too. Just wanted to say a special thanks to all who came out and those that were there in spirit. Thank you all for your patience at take-off and Weigh-in. Things go a little longer on the one-day tourneys. I'm looking forward to a great year of fishing with you all and hope to see even more folks at Ozarks.

### Giveaways

This year we decided to team up with the resorts we are staying at to help out with the high cost of fishing nowadays. At Clearwater we started giving away some of the new big prize's. The first one we gave away was a FREE weekend for two at \_\_\_\_\_ with a value of \$120. This went to Ted Reim and Gary Medley, congratulations guys. We will be giving this same prize away at each of the next 7 tournaments. THANK YOU \_\_\_\_\_. In addition to that at each one of our tournaments we will be giving away a free nights stay at the sponsored resort and some free slip rentals. The

only requirements for this are that you must be staying at the sponsored resort for a two nights stay (Fri, Sat). If you have any questions, please let us know and we will help explain it to you.
