Big Winners

Well despite decent weather the fishing was tough. And not to help matters out, the lake is so low, if they lowered it a little more we'll start calling it "Pond of the Ozarks". But someone must win and that honor went to John Luzynski and Dave McGarity. They had 5 fish total, two of which were over 5 lbs. Saturday night John said all he had to do is put Dave on his spot and sit back and get the net. So I guess John's Guide Service paid off. Because these guys brought in a nice bag of fish Sunday, (13.28lbs) to take the lead. I'm guessing we'll start calling that Dave's spot now. They were throwing carolina rugged baby brush hogs. For their efforts, they took home \$440. Good job guys.

Second place was a family affair with John and Darla Ketcherside with 16.46lbs. They were throwing white spinnerbaits. I can just hear these two now at home. He'll be telling all of their friends how he did all of the work. BUT we know Darla is the anchor on this team. I'm not sure, but I'm guessing she's the one who caught that 4.61 pounder. It's ok John. If you can't repeat that performance at the next tournament, then will know for sure it was Darla. They took home \$300 for their 6 fish catch. Good Job. Another thing I heard was they were fishing near John's spot, or should I say Dave's new spot.

Third place goes to a familiar name in the money,

1st Place

John Luzynski and Dave McGarity
18.34 lbs, 5 fish

2nd Place

John and Darla Ketcherside
16.46 lbs, 6 Fish

3rd Place

Rob Cook and Bob Ray
14.86 lbs, 4 Fish

Big Bass - Sunday

Bob Ray and his net man Rob Cook. Bob had a huge fish weighing in at 7.12lbs. That took big bass for the weekend and put him in front for big bass of the year. Speaking of front, Bob also takes over the points lead for Angler of the year. Bob was throwing what he called his homemade spinnerbait. But when I first saw this thing it looked this some kind of patriotic spinnerbait. It was red, white and blue, with a little chartreuse in it. As I was laughing at his homemade creation, he brought in big bass. Needless to say, I stopped laughing, and asked if he had any more of those good spinnerbaits. For Bob's efforts, they took home \$186 for third and \$140 for big bass Sunday and \$195 in the side pot. Thanks Bob, maybe next time I'll help. As for me, I guess I deserve coat tails.

Lee Asher had big bass on Saturday with a 5.35lb fish. He said he caught her in the mouth somewhere in the lake. Funny man, huh? Later it was a white spinnerbait.

The other placing positions were as follows: 4th Joe Arnold/Lee Asher (14.46lbs) \$122, 5th Russ Grobe/Ashley Booth (9.63lbs) \$98, 6th Ron Hanephin/Tom O'Conner (8.59lbs) \$88, 7th Ted Reim/Gary Medley (8.48lbs) \$76, 8th Greg Shands/Andy Shands (7.98lbs) \$66, 9th Jim Fanter/Brian Walker (7.24lbs) \$56, 10th Lori Luzynski/Craig Gravatte (4.15lbs) \$50

Next tournament is at Schooner Creek Resort on Table Rock April 23-24.

Fun Stuff

If you want a new \$120 reel and a good rod just asks Teddy Reim where he dropped his rod into the lake Sunday. All you need is some scuba diving

gear. Maybe at the next tournament we can give away some sticky stuff for his hands. I also heard a story about a father son team. The father told his son he didn't know how to fish the lake and he needed to show him. Well Son Andy Shands caught two nice fish that got them 8th place. As for the father (Greg) he didn't catch any fish. I'm sure if you ask him he'll tell you he was just staying out of the way. Good work Greg.
