Big Winners

Wow!! 180 fish! That's how many fish were weighed this weekend. Just about everyone got in on the fun. The fish were in a post spawn pattern and were willing to EAT. The father son team of Greg and Andy Shands made a run for win Sunday and came up big. They had 10 fish Sunday alone, and a total of 13 for the weekend. With a total weight of 21.76 lbs. Greg that son of yours is a fast learner before to long he's going to want the front of the boat. Good job Andy it looks like your getting some momentum for Angler of Year. Next year I don't think me and Bob will be showing you guys any more good spots. These guys were throwing baby brush hogs. They took home \$270 for first place. Nice work guys.

Second place was Chuck Elders and Russ (Scott) Grobe. I don't know which one of these guys are hotter right now Chuck had 9 fish with one of them coming in at 5.61 lbs. Which was big bass for the weekend and he took over the lead in the Angler of the Year for now. Then you have Russ which has been in the money in all 4 of the tournaments this year. This got big bass for the weekend and the \$120 side pot. They were throwing chartreuse wiggle warts and white spinnerbaits. Together they had 12 fish for a total of 21.54lbs. They took home \$198 for second and \$96 for big bass from the club. Good job guys.

Fun Stuff

No censors this month please. Greg your of the hook this month. I don't know if everyone saw the message on the message board about John Luzynski winning the BFL tournament. John used his patented Carolina Rig technique to win over \$2k at Lake of the Ozarks. And after this weekend he's in 11th place in the BFL standings. Keep up the great work John and good luck at the regionals. Remember us little people that you uses to fish when you make the big leagues. And did you see the magazine cover for Mid America Outdoors. It has your model Bob Ray on it. Boy did you see the belly on that boy, and the fish was big too. Sorry Bob.
