Big Winners

Well, there were extremely tough fishing conditions, and no one was able to establish any kind of fishing pattern. Nonetheless, Scott Hasty and Jason Kennedy fought their way thru a bout of food poisoning and breaking the trolling motor, and being stopped by water patrol for a boat search. They still won their first tournament. These guys have been in the club for a few years now and are working there way up. Scott said they were catching a lot of short fish, so he slowed down and worked the area over with Senko's and crankbaits. Well it worked and they found 3 nice fish for a total weight of 6.73lbs. Scott had big bass Sunday, 2.47lbs, which was also a first for him. For their efforts, they took home \$250 for first place and \$88 for big bass. Scott and Jason are sponsored by (Jolene and Karen) their wives back home. Allegedly, Jason's wife taught him how to catch fish at the last tournament, and I guess it paid off. Good job guys.

Second place was Pam Wakim and her dad Frank Stanek. They had two fish for a total of 6.19lbs. They were throwing chartreuse crankbaits. This weekend was Frank's 81st birthday. Happy birthday Frank, and congratulations on a good job fishing. Pam also had big bass for the weekend with a 4.02lber. For their efforts, they took home \$184 for their second place and \$88 for big bass from the club. In addition to \$110 from the side pot. Good Job.

Third place goes to Mike and Dannie DeArmon these guys had three fish for a total of 5.90lbs. They were also throwing senko's. Mike almost got big bass with his big fish weighting in at 2.30lbs. They took home \$116 for third. Good Job.
