Big Winners

A payday at the ramp helps offset the pain at the pump. Higher fuel prices drove down the number of teams at Wappapello this year. Of the 15 teams that were able to get a bank loan to cover the gas, Bryan Walker and Jim Fanter were glad they made it down and so were we since they were the Saturday tournament directors. A perfect tournament with a 20 fish total and a first place check made it all worth while. In 4th place on Saturday these guys went out on Sunday and came from behind to finish in front with 17.77 lbs. For the win, they took home \$160. Great Job Guys, way to limit out.

Second place was Greg and Andy Shands. These guys missed a perfect limit by only 2 fish. Not bad. Greg also had a nice 3.48 lb bass on Sunday that helped bump up their weight. They also pitched in on keeping things moving by acting as tourney directors on Sunday. Looks like it helped both first and second place teams. With 8 fish on Saturday they added a perfect 10 more on Sunday to land in second place with 15.63 lbs. They didn't have a lot of gas to buy since they live to close and that means the \$118 they took home was all profit. As always, nice work.

Third place goes to Russ Grobe and Troy Moore.

1st Place

Bryan Walker and Jim Fanter
17.77 lbs, 20 fish

2nd Place

Greg Shands and Andy Shands
15.63 lbs, 18 Fish

3rd Place

Russ Grobe and Troy Moore
15.09 lbs, 19 Fish

Big Bass - Saturday

Russ, as last years Wappapello champ, was in the drivers' seat so to speak. Let me tell you it's tough to have 2 fish in the boat and run into Russ on the lake when he tells you he has his 5 and then you see him cull through another. They only missed a perfect double limit by one fish with 19 total. 9 fish on Saturday and a perfect 10 on Sunday put these guys in the money again this year. A weight of 15.09 lbs was good for \$84. It may not be a win but no one can say Russ and partners aren't consistent. Way to go.

Our final paid place isn't usually where you find all the money but that was before this tourney. Pam Wakim and Bob Treadway knocked it out of the park this time. In solid second place after the first day with Pam's last minute Saturday Big Bass. They went back out and started the day off with Bob catching what would later be the Sunday and Weekend Big Bass to anchor their 14 fish. An overall weight of 14.78 was what it took to take the \$50 for fourth place. But the club had more checks to write for the Wakim/Treadway Team. Pam's Saturday Big bass 3.05 lbs paid \$56 and Bobs Sunday Big Bass of 4.31 lbs was good for another \$56. They also took the Side pot for another \$65. A total there of \$227. Whew, not bad for a 15 boat tourney.

Our next and Final tournament is at Lake of the Ozarks (Runaway II) October 8-9 REMEMBER!!! We are taking off at 10:30 am on Saturday for a total of 8 hrs off fine Ozarks fishing that day.

Who's New?

Welcome new and past returning members. Chris Brennan and Michael Harigan.

Fun Stuff

So much fun stuff this time. Where to start? With 15 boats, it was like old times. There was a tip from a member to always take the transom saver off the boat when launching. Forgetting to do this caused him a little motor trouble ...but not enough to keep the unnamed member from taking a 2nd place check. Maybe that \$118 isn't all profit after all. Greg Heinz was able to do a little survey work for the Fish and Game dept by catching 6 species of fish this weekend. See if you can guess them all. Post your guess on the message board and we'll see who gets it right. Durbin you are not allowed to guess.

Giveaways

Pam Wakim, 3.05lbs

From The Presidents Boat

(Updated Sept 28, 2005)

I am happy to report that I have received volunteer commitments from 5 members for all available 2006 officer positions. These and any other volunteers will be presented to the membership at our annual awards banquet for installment and/or run-off voting.

See you all one last time at Ozarks.

Teddy

This month we gave away a free two night's stay for two at Runaway II which went to Greg Heinz. We also had a free night at Millers motor lodge that went to Rick and Linda Armstrong. A very special thanks to Millers for their contribution and understanding of low turnout in light of fuel prices.
