

POMME DE TERRE LAKE

MAY 17-18

Written by Pam Wakim

I would like to start by apologizing for the news being so late but family matters come first. Second, I want to apologize for not having pictures of the teams that placed as I left the tournament early Sunday morning. Thank you Kelly Robinson for sending me pictures of Sundays Big Bass. If anyone else took pictures and can send them, please do. Special thanks to Ken Jones and Mike Jankowski who took time away from fishing to meet Bob and I on the lake so I could turn over the checks to Mike. Many thanks to Terry Stanek, Bob Treadway, Ken Jones, Andy Shands and Lori Luzynski for filling in for our missing officers at the weigh ins. And last, thank you Pomme State Park Marina for all of your support over the years. The marina gave away two free slips at the tournament and it was greatly appreciated.

Once again high gas prices took a toll on the Hawg Hawlers bass club. Only 12 boats made the drive to Pomme for our fourth tournament of the year. The weather was beautiful and the lake level was up which made for some good fishing.

First Place honors go to John Ward & Rick Schroder weighing in 19 fish. John and Rick both had a limit on Saturday. John limited again on Sunday giving him the only double limit of the tournament. Their total team weight was 27.20 pounds. They reported using jigs.

Second Place went to Brian & Kelly Robinson with 16 fish weighing 20.48 pounds. Brian and Kelly both had a limit on Saturday. They're fish were caught using tubes.

Third Place goes to Lori Luzynski & Terry Stanek with 13 fish weighing 17.61 pounds. Terry brought in a limit on Saturday. They were throwing brush hogs.

Fourth Place went to Mike Parmentier and Larry Rutledge. They had 10 fish weighing 13.10 pounds. Mike had a limit on Sunday.

Big Bass for Saturday goes to John Ward. John's fish was caught on a jig and weighed 4.08 pounds.

Big Bass for Sunday and the weekend sidepot went to Tom O'Connor. Tom's fish was caught on a senco and weighed 4.66 pounds.
