Stanek and Stanek Win Pomme

Terry and Lori Stanek proved they had the pattern down with a win over sixteen other boats at Pomme de Terre on May 21st and 22nd. They were fishing brush hogs and seven inch power worms in the buck brush within one mile in either direction from Pomme State Park Marina. On Saturday they weighed in eight fish, one was Lori's 2.02 pound fish that won Big Bass for the day, and nine on Sunday for 24.32 pounds. Terry was the only angler to bring in a double limit. Be sure to check out their winning strategy on page 4. First place payout was \$236. Congratulation Terry and Lori!

Pomme de Terre Tournament

Our Pomme tournament was a success. Although we had rain for most of the day Friday, the rain predicted for the rest of the weekend never showed up. Saturday was a switch on tournament hours with a noon take off and weigh in at 6:00pm. Let your officers know if you liked the opportunity to look for an afternoon bite.

We had some wind to fight both days. The bluebird skies on Saturday made it tough so the clouds on Sunday were appreciated. We had seventeen boats, thirty four anglers and every boat weighed in fish (138 to be exact).

Next Tournament Mark Twain

Take off is out of the Highway U Ramp. Call South Fork Resort (866-382-0033) or Junction Inn (573-565-2665) for reservations. Hours will be 5:30am to 11:30am both days. Get your entry to Dan by Wednesday, June 8.

Our 2010 Mark Twain tournament was won by **Mike Jankowski & Brian Jankowski**. They were throwing green pumpkin worms. Other baits that worked were black & blue jigs, red bud trick worms wiggle warts, wacky worms and red crankbaits. Air temps were mid 70's to high 80's and it partly cloudy with a few sprinkles. Water was 18' over normal pool. Water temps were in the high 70's to mid 80's and the water was heavily stained to chocolate milk around the lake.

The Winning Strategy

From my interview with Terry Stanek:

Before the tournament we expected the bass would be done spawning. The water was high so the plan was to do some Carolina rigging and throw some spinnerbaits. When we found out the water was rising we changed our strategy and went straight to the buck brush. We were using brush hogs but kept getting hung up too much. The bass were feeding on minnows so we switched to seven inch green pumpkin power worms which were long and skinny like the minnows. We also pegged the quarter ounce sinkers we were using which made it a lot easier to work the bait through the buck brush. Sometimes it could be tough pulling them out of the brush but switching our strategy as the conditions changed worked for us.

Terry, thanks for sharing your strategy and thought process throughout the tournament.

BBQ Time!

This year the Hawg Hawlers club barbecue will be held at the South Fork Resort pavillion on Saturday evening starting at 3:00 with dinner at 5:00. Bring your lawn chairs, coolers and drinks. The club will provide burgers, brauts, buns, condiments and chips. Feel free to bring a side dish or dessert (it is optional). We will have music, washers, horseshoes, Smores and karaoke after dinner so if your hungry, ready for some fun & games or just want to sing then the barbecue is where you'll want to be. It's a great way to meet fellow Hawg Hawlers and enjoy each others company. We hope you can make it.
