Scott Hasty and Bryan Slaughter Take 1st Place at Lake of the Ozarks

First place was taken by Scott and Bryan at our spring Lake of the Ozarks tournament held April 14 - 15. These guys had a total of fourteen fish weighing 35.59 pounds which puts them in second place on the Top Ten Heavy Stringers list. Scott was the only angler with a two day limit of ten fish and Bryan won Big Bass of the Weekend weighing 6.22 pounds. Their weekend of fishing moved Scott to first place for Angler of the Year and Bryan with the lead for Big Bass of the year. They caught their fish using speed craws and crank baits. First place payout was \$256.

Lake of the Ozarks

There was rain, rain, and more rain at our Lake of the Ozarks tournament and we got WET! On Saturday the lake level raised one foot in 19 hours to 656 feet and hit 657 on Sunday. Our tournament took off out of Red Oak Resort. The wonderful staff at Red Oak Resort gave us a warm welcome and took care of all of our needs. Red Oak Resort is a Hawg Hawlers Bass Club supporter and they are always good to us. They donated a free two night stay to give away at the tournament and another for our Awards Dinner. If you (or anyone you know) are planning a trip to Lake of the Ozarks, Hawg Hawlers Bass Club highly recommends Red Oak Resort (www.redoakresort.com 573-873-9400). Twenty boats brought in a total of 123 bass. The temperature range was 55 - 77 degrees with skies that were clear to stormy and some gusty winds thrown in the mix. Water temperatures were 62 - 65 degrees and you could find water from clear to muddy.
