Lake of the Ozarks

Where did the year go? It's hard to believe we just fished out last tournament of the 2012 season. It was a great year and we are all looking forward to celebrating at the 2012 Hawg Hawlers Awards Dinner (details on page 5). Congratulations to all the 2012 winners! We hope to see everyone back again next year.

Fourteen boats turned out for the 2nd annual OPC Tournament October 6 & 7 at Lake of the Ozarks. There were 49 bass weighed in. We had a lot of cold rain pre fishing on Friday but Saturday wasn't quite as cold with cloudy skies all day. Sunday was the best day with partly cloudy skies, some sunshine and warmer temperatures. Winds were 5 to 9 mph through the weekend with some gusts up to 10 or 15 mph. Temperatures ranged from the mid 30's to the mid 50's. The lake level was down a couple of feet. The water was murky with water temperatures in the high 60's.
