Pomme "Lake News"

Fourteen Boats fished this year's Pomme II Tournament sponsored by **Shimano!**

The water was 845 ft (6 ft over normal pool) and dropping 2/3rds a foot each day. Water temps held a little low for this time of year right around 87 degrees with a slight stain.

The weather was PERFECT! Cool temps in the mid to high 80s at mid day made this a very comfortable August tournament.

The fish were a bit harder to find this weekend with only 64 fish weighed in (vs 176 in the spring).

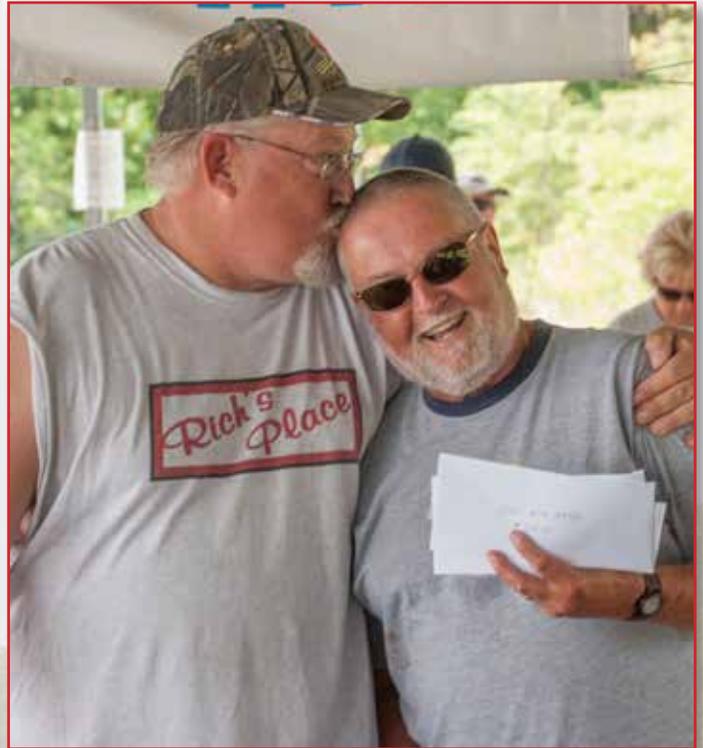

The Pizza Party/Swap meet was a ton of fun and quite a few people walked away with full bellies and great deals. Someone....ahem....even had a bag of underwear for swap. Clean of course!
