Himstedt/Olsen Win Table Rock, 2013

Chris Himstedt & Mike Olsen take first while fishing for the first time together. Making long runs, they were able to bring in a total of 20.08 lb over two days. On Saturday, Mike brought in 4 fish and Chris, 2. Sunday, Chris weighed 4 and Mike, 1 keeper for a total of 11 fish total. They caught their fish on flukes in 30-60 foot of water and jigs up shallow and 30 ft. deep. First Place payout was \$222. Congratulations Chris and Mike!

T Rock "Lake News"

Fourteen Boats registered for the 2013 Table Rock Tournament sponsored by **Omega Custom Tackle**.

The water was at 916 ft (approx 1 ft over normal pool). Water temps held right around 84 degrees with a slight stain. East winds on Saturday, but mostly gone by Sunday.

The weather was PERFECT! Cool temps in the mid 50s at take off, rising to mid 80s at weigh in with high blue skies.

The fish were, again, hard to find this weekend with only 43 fish weighed in by 25 anglers (Team Gross didn't fish due to mechanical issues. Hope you were able to resolve the issue).

Mick Schwent was the only angler to catch a limit this weekend (Saturday) and there were 27 "zeros" added to the board over two days. I'd say fishing was tough!

A HOOK from our President....

Well the weather was nice this past weekend at least. But the fishing could have been a little better. Still Table Rock is one of my favorite lakes. The rolling Ozark mountains makes for some of the most beautiful scenic in Missouri. It's also a fine place to land a big small mouth, although I haven't done so in about 3 years. Fishing styles were definitely different this weekend with drop shot rigs or dragging something across the bottom in 35 foot of water.

With 8 tournaments behind us now and one to go (Lake of the Ozarks), our year is about to wind down. While I look forward to going to LOZ I am also dreading it too cause it will be the end of the season. I for one have never fished at the lower end of the lake during this time of the year. It will be a chance to fish new and hopefully productive waters.

Many of us fish our entire life without ever realizing what fishing really gives us. Sometimes we need to just slow down a bit and look around to enjoy all that the sport of fishing has to offer us. When Jesus was looking for his disciples he didn't find them in fancy places and they weren't high or important people, they were all simply fisherman.

Your President,
Andy Shands / Take a kid fishin'

Let's give a **HUGE** Hawg Hawler **WELCOME** to our new and returning members!
