Hasty/Slaughter Win Clearwater 2014

Scott Hasty & Bryan Slaughter found the right bait and the right bank to catch an impressive bag of 10 fish weighing 21.47 lbs to win our 2014 season starter. This stringer crushed the club "Heavy Stringer" record that Scott was part of back in 2011 weighing 11.87 lbs.

All their fish were caught on a red/black bomber crankbait on the same bank. First place payout was \$256.00.

Congratulations to Scott and Bryan!

Clearwater Lake News

Twenty Four boats kicked off the 26th season of the Hawg Hawlers on Clearwater Lake.

The weather turned out to be perfect again with temps ranging from the low 40's in the morning to 75 degrees at weigh in. We had a very light wind with beautiful blue spring skies covering our heads.

Water temps ranged from 47 to 54 degrees depending on where you were on the lake. Water clarity was VERY clear up in the river and stained in the deeper areas of Webb and Logan creeks.

Water levels were right at winter pool level, 494.8 feet which can be very shallow in some areas of the lake.

A **special thanks to the good folks at Clearwater Marina** for their hospitality and for the donuts and coffee. This is a great way to start our season.
