Pomme Lake News

21 Boats faced thunder and lightning crashing around us after Saturday's take off....most anglers RAN for cover. I can say that this was the most ELECTRICITY I've EVER seen while on the water!

Water level was around 2.25 feet above normal pool. Water temps hung around 78-82 degrees. Air temps were in the high 60s to high 70s both days.

After the storm Saturday morning, winds picked up with gusts in the 25 mph range with sun peaking through white clouds in a blue sky.

Sunday's weather held out, offering cloud cover for most of the day with temps matching Saturday.

A special thanks to Angie & Steve Capcovic (NEW OWNERS) at Indian Hill Resort for their friendliness and for being a Hawg Hawler sponsor. The "new" friendliness we recieved was welcomed and noticed by all.
